

Petly page FAQ's

- **What is Petly**

Petly is a secure personal health page for your pet that gives you direct access to your pet's health records 24/7. We're happy to provide **Petly** to all our current clients who have an active email address at our practice.

- **How do I get a Petly Page?**

Share your email with us and if your pet has had a visit with us in the last 2 years, you will receive an email invitation to activate your personal Petly Page.

- **How do I get a new invitation to Petly if I deleted mine?**

Call or email us and we can activate you over the phone or in person or we can send you a new invitation.

- **What if I forget my Petly Password?**

Go to www.petly.com and click on "Forgot my Password. This will send an email with a link to reset your password.

- **Why should I want a Petly Page?**

Petly is a great way to view your pet's health records, anytime, plus you can easily connect with us at your convenience. Petly offers many features to help you keep track of your pet's health needs and shares informative articles on the latest trends in pet health.
